### About the application for School Special Passports

- As a general rule, the School Special Passports are available for an official school event and can be applied only to a group accompanied by a teacher.
- Any applications other than from schools or colleges will not be accepted.
- The application must be submitted by the school or college.
- If any of the information submitted is false, the difference between the regular ticket price and the School Special Passport price must be paid even if the tickets have been used.

### Notice from Tokyo Disney Resort

School organizations will be held liable for damages incurred to Park facilities or Park employees by any persons entering the Park with School Special Passports, regardless of whether accompanying teachers or tour guides are negligent.

Please confirm the conditions above and check the box below. (The box must be checked for the application form to be accepted.)

**I hereby agree to the above conditions and apply for School Special Passports.**
